Fort Sill Federal Credit Union's Purpose & Expectations

Purpose & Expected Use

This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled. With such spending activities, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range.

Fort Sill Federal Credit Union (FSFCU) reserves the right to determine if the account is being maintained for a purpose other than day-to-day primary use and in such determination may convert the account to a different checking account upon proper notice.

We have the right to close this account at any time with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any refunds that have not been credited to your account. A Fort Sill Federal Credit Union check for the remaining balance, if applicable, will be mailed to the accountholder at the address indicated on our current records. Upon termination of your DEBIT PLUS account, any optional add-on products/services associated with this account will also be terminated at the same time.

Account Qualifications

Qualifications

Transactions and activities may take one or more Business Days from the date the transaction or activity occurred to post and settle to the account.
